APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the point of diversion of a portion of Proof 01394, Ash Springs Creek as heretofore set forth in the Pahrnagat Lakes Decree. This permit is issued subject to the terms and conditions as set forth in said Decree, with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State reserves the right to regulate the use of water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.206 cubic feet per second, but not to exceed 82.4 acre-feet seasonally.

Actual construction work shall begin on or before October 20, 1972

Proof of commencement of work shall be filed before November 20, 1972

Work must be prosecuted with reasonable diligence and be completed on or before October 20, 1973

Proof of completion of work shall be filed before November 20, 1973

Application of water to beneficial use shall be made on or before October 20, 1974

Proof of the application of water to beneficial use shall be filed on or before November 20, 1974

Map in support of proof of beneficial use shall be filed on or before November 20, 1974
